### SUMMARY

I am **Anil Sen**, a passionate **Full Stack Developer** and **UI/UX Designer** with Bachelor's and Master's degrees in Computer Science & Information Technology and over **2 years of professional experience**. Proficient in **Angular, Ionic, Node.js, Firebase, RxJS**, and modern front-end frameworks, I excel in **mobile and web application development, responsive UI/UX design** (Figma, Penpot), and building **scalable backend solutions**.

At **Quadralyst Pvt. Ltd.**, I focus on creating **user-first, high-performance applications** with clean, maintainable code. Having delivered multiple end-to-end projects on time, I thrive in **agile, collaborative environments**. Fueled by **innovation** and **continuous learning**, I strive to contribute meaningfully to **cutting-edge, user-centric projects** while advancing in the tech industry.
